

BATTERY RECYCLING

Rilta Environmental Limited is fully ISO 9001 & 14001 certified and licensed under EPA Licence No. WO192-02

In 2006 Rilta Environmental acquired Returnbatt Limited who have been in the battery recycling business since 1998

- ✓ Battery Recycling, and Nationwide collection service to suit individual needs
- ✓ We will pay you for your batteries
- ✓ We supply high density polyethylene containers for safe storage of used batteries
- ✓ We decommission batteries for private and public companies all over Ireland. No job is too big or too small for our Decommissioning Team.
- ✓ Authorised Battery Collector
- ✓ Full compliance with the Battery Directive
- ✓ Our fleet of trucks are specially modified to transport this type of hazardous waste and are drivers all Hazchem trained.
- ✓ Environmentally safe professional service.
- ✓ Typical lead acid battery contains 60%-98% recycled lead and plastic and the recycling cycle goes on indefinitely
- ✓ We also provide a Waste Oil and Filter disposal service
- ✓ We provide Absorbents, Oily Rag Collection & Disposal services
- ✓ Emergency Response 24/7 (+353 1 4018000)

It is the aim of Rilta Environmental Limited to provide an informed and immediate response to all environmental issues.

Rilta's continued growth and success has been built on premium
